## Construction Specifications

### Doors and Drawer Fronts:

Doors, drawer fronts, rails, and center panels are made with full HDF construction to reduce the possibility of shrinkage.

The 5 piece Hallmark modified full overlay door has a 1/2" thick HDF center panel captured in a 3/4" x 2 1/4" HDF frame and is complimented with a 5 piece recessed panel drawer front. The overlay on top of all wall cabinets has been modified to accept a crown moulding.

### Hinges:

Compact Blumotion soft close hinges (Blum model #39C355B.20).

### Drawers:

5/8" thick solid wood dovetail drawer box with a 3/8" plywood bottom attached to Tandem plus Blumotion concealed drawer runners (Blum model #563H)

### Shelving:

15mm (5/8") thick select veneered wood with matching wood edge-banding is used on all wall and base cabinetry where applicable. The adjustable shelves are supported by plastic self locking shelf clip.

### Cabinet Sides, Backs, Tops and Bottoms:

1/2" thick veneered plywood sides and back with natural finished interiors grooved to face frame. The backs are stapled and screwed into place for additional support. Top & Bottom panels are 3/4" thick veneered plywood and grooved into to the side & back panels.

### Face Frame:

3/4" x 1 1/2" solid wood stiles and rails jointed with glue and dowels. Back of face frames are grooved to accept side panels. The Hallmark face frame is engineered so that the bottom of all base and wall cabinets are flushed with the top inside edge of the face frame creating a custom look.

### Toe Kick:

3/4" x 4 1/2" select unfinished plywood\* toe kick is added to each assembled cabinet. Additional 1/4" 8-foot lengths of toe kicks are available in matching colors to our cabinetry.

### Panel Beams:

2 1/2" x 1/2" plywood\* panel beam is fastened into a dovetail groove at the top of each base cabinet to ensure a straight fully integrated side, and for use of support and mounting of a countertop.

*\* May come in finish other than natural ply, this does not denigrate the quality of material or structure of the cabinet.*

## Construction Specifications

- 1 Full HDF construction for door and drawer front stiles and rails are constructed with mortise and tenon joints.
- 2 Compact Blumotion soft-close mechanism integrated in concealed six-way adjustable hinges. Hinges open at 110°
- 3 5/8" solid wood dovetail drawer with a 3/8" plywood bottom features Tandem plus Blumotion full-extension concealed drawer runners
- 4 2 1/2" interior drawer height.
- 5 3/4" x 1 1/2" solid wood face frame.
- 6 1/2" select veneered plywood back with a natural finished interior.
- 7 1/2" select unfinished plywood side panels grooved into face frame.
- 8 15mm (5/8") select veneered plywood adjustable shelving with matching wood veneer edge banding.
- 9 3/4" x 4 1/2" unfinished plywood toe kick attached to cabinet. Matching 1/4" toe kick cover to be ordered separately.
- 10 2 1/2" x 1/2" plywood\* panel beams dovetailed into the side panels for strength and stability.
- 11 Base cabinet has 11 7/8" deep shelf.
- 12 Base has a full overlay door.
- 13 When placing an order, need to select exposed sides; Right, Left or Both.  
A 1/4" select medium-density fiberboard panel will be applied to the selected side(s), and the side will be near flush finished.
- 14 Wall cabinet has a modified overlay door. Crown can be mounted on the face frame.
- 15 Rubber bumpers for door and drawer fronts.
- 16 Adjustable shelf clips.

\* May come in finish other than natural ply, this does not denigrate the quality of material or structure of the cabinet.

## Limited 5-Year Warranty

### COVERAGE OF WARRANTY

Fabuwood Cabinetry Corp. ("Fabuwood") is pleased to provide the following limited warranty to the first residential purchaser on all cabinets sold in the United States and Canada by an authorized Fabuwood dealer. This warranty does not cover cabinets sold or shipped outside of the United States and Canada. A First Residential Purchaser ("First Residential Purchaser") is a person who purchases and installs the cabinets in a dwelling that is owned and used by that person as a primary or secondary home, or, in the case of a developer or builder, this limited warranty may be assigned to the initial purchaser who uses the dwelling as a primary or secondary home. This warranty, however, is not transferable to subsequent owners of the home. This limited warranty is subject to all limitations, exclusions, disclaimers and procedures set forth herein.

**LIMITED LIFETIME WARRANTY** (Only on Allure, Illume, Value Premium, and Quest series cabinets): Fabuwood warrants to the First Residential Purchaser that all cabinets purchased from Fabuwood will be free from all unnatural defects in material and workmanship in accordance with Fabuwood's Quality Standards under normal residential use as long as the First Residential Purchaser owns the home in which such cabinets are installed.

### EXCLUSIONS

THIS WARRANTY SUPERSEDES ANY AND ALL PREVIOUS WARRANTIES BY FABUWOOD AND CONSTITUTES THE EXCLUSIVE REMEDY AGAINST FABUWOOD FOR ALL DEFECTS, DAMAGES AND WORKMANSHIP. THERE ARE NO IMPLIED WARRANTIES EXTENDING BEYOND THE TERMS OF THIS WARRANTY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, FABUWOOD SHALL NOT BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL OR CONSEQUENTIAL COSTS, EXPENSES OR DAMAGES (INCLUDING LOST PROFITS), EVEN IF THIS LIMITED LIFETIME WARRANTY IS DEEMED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE. IT IS POSSIBLE THAT ONE OR MORE OF THE LIMITATIONS AND EXCLUSIONS IN THIS WARRANTY MAY NOT APPLY TO YOU. THE LIMITED LIFETIME WARRANTY ON ALLURE, ILLUME, VALUE PREMIUM AND QUEST SERIES CABINETS APPLIES ONLY TO PRODUCTS PURCHASED ON OR AFTER OCTOBER 1, 2024. VALUE PREMIUM & QUEST SERIES CABINETS PURCHASED PRIOR TO OCTOBER 1, 2024, AND ALLURE & ILLUME SERIES CABINETS PURCHASED BEFORE JANUARY 26, 2023, ARE NOT INCLUDED IN THE LIMITED LIFETIME WARRANTY AND ARE SUBJECT TO FABUWOOD'S LIMITED 5-YEAR WARRANTY.

### LIMITATIONS

This warranty shall become void if the cabinets, cabinetwork, drawer slides or hinges are modified from its original form, improperly installed or damaged prior to or during the installation, or used in any way other than for residential purposes. This warranty covers only parts and materials of the cabinets as supplied by Fabuwood. This warranty does not cover any products used or installed in connection with cabinets, such as gas or electric appliances, countertops, or plumbing fixtures. It also does not cover Blum hinges or any other third-party manufactured accessories or enhancements.

This warranty does not apply to products installed in locations that do not maintain year-round environmental controls. This warranty shall not apply to damages caused by transportation, storage, dirt, chemicals, exposure to moisture, humidity or excessive heat or cold, nor does it cover the effects arising from normal wear and tear, misuse, neglect, accidents, alterations, improper use or failure to maintain properly, house settling, or acts of God. No installer, retailer, distributor, agent or employee of Fabuwood has the authority to alter the obligations or limitations in this warranty.

### QUALITY STANDARDS

This warranty covers all damages and unnatural defects that are deemed as such under the Fabuwood Quality Standards. The Fabuwood Quality Standards, which will be provided to you by your Fabuwood dealer upon request, should be reviewed at the time a claim for warranty service is being considered. Fabuwood reserves the right to modify or change the Fabuwood Quality Standards at any time without notice.

### DISCLAIMERS

The following is a brief recap of some of the characteristics of the wood and finishes on the cabinets you are about to purchase. Please read them carefully. If some of these characteristics concern you, please choose something else. We bring these characteristics to your attention so you will realize that Fabuwood will not be held responsible for these variations in your cabinetry. It is important to note that wood products claimed as defective are most often the result of

atmospheric conditions such as excess moisture and humidity. Fabuwood strongly recommends testing the intended location of the products for such conditions prior to installation.

**WOOD AND COLOR VARIATIONS:** Wood is a product of nature, and since no two trees are alike, cabinets may vary in color, texture and grain. Wood characteristics naturally occurring such as variations in color, grain, mineral streaks, pinholes and knots are not considered defects. Color variations in cabinets are also a natural occurrence due to species, age, character of cabinets, and exposure to UV light, smoke, certain household cleaners, sunlight, extreme temperatures, and other environmental conditions. For these reasons, new and/or replacement cabinets may not match display samples and/or existing cabinets. This may result in overall color variations and is not considered a defect.

**WOOD DOORS, DRAWER FRONTS, AND FACE FRAMES:** Wood by nature will undergo expansion and contraction movements over the years as it compensates and adjusts to ever changing atmospheric humidity and temperature conditions. It is very common for center panels on doors to shrink, expand or move during these changes. Typically, the panel will return to its normal position within a year once it has adjusted to seasonal changes. It is for these same reasons that it is very common for doors to warp during these periods. Doors that are warped up to ¼" are not considered defective. [Note: It is advisable to check if the door was properly installed, since doors that appear warped are very often the result of improper installation.] Painted doors, drawer fronts, and face frames may eventually have visible cracking around the joint areas, and cabinet colors may darken or lighten over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered under this Limited Lifetime Warranty.

**PAINTED FINISHES:** Plywood is a non-porous, smooth grained wood. Additionally, wood by nature undergoes periods of expansion and contraction while it adjusts to atmospheric conditions mentioned above. As such, finish stress lines may become visible on painted cabinets especially at the joints. Any such occurrence is not considered a defect.

**GLAZED FINISHES:** A glazed finish by character is an uneven finish. Some edges and profiles will be larger than others and glazing may vary cabinet to cabinet, door to drawer and item to item. This may result in overall color, texture, and finish variations but these are not considered defects.

### WARRANTY PERFORMANCE

If a defect does occur within the terms and conditions of this warranty such defective part will be repaired or replaced by Fabuwood at its sole discretion. Fabuwood will not provide or pay for the cost of removal of defective product, transportation of defective, repaired or replaced product or installation of repaired or replaced product. If it is not commercially feasible to repair or replace a defective product, we may refund the original price paid by you for the defective product or provide a credit towards a similar type of product sold by us. Fabuwood will not be responsible for any shipping damages to the defective, replaced or repaired product. If defective item has been discontinued or is not available at the time, Fabuwood reserves the right to replace the item with the most similar item available in Fabuwood's inventory at that time. Fabuwood reserves the right to alter design, specifications and material without obligation to make similar changes to products previously manufactured. Fabuwood cannot guarantee that the finish of any replacement will exactly match the finish and appearance of the defective item due to the natural ageing process of the wood and finishes of the cabinets. Fabuwood may require at its discretion that the customer submit a clear photo, or that a company representative inspect the item being claimed before honoring this warranty.

### CLAIMS

For a warranty claim made by the First Residential Purchaser to be considered, please contact the original Fabuwood-authorized dealer, who must file the claim through the Fabuwood EZ pricing system. In the event that the original dealer cannot be identified, or they have closed down, the warranty claim must be emailed to [customerservice@fabuwood.com](mailto:customerservice@fabuwood.com). The email should explain the issue and include pictures showing the claimed defects. Feel free to call +1 201-432-6555 ext. 1 for assistance.

### NOTE

Please do not send back any items to Fabuwood prior to receiving proper Replacement Material Authorization ("RMA") from Warranty Support. Fabuwood takes no responsibility on any items sent back to Fabuwood without proper RMA.

Last Modified October 1, 2024: Change to include Value Premium, and Quest series cabinets under the Limited Lifetime Warranty. Previously Modified January 26, 2023: Change of the warranty on Allure and Illume series cabinets from a Limited 5-year Warranty to the Limited Lifetime Warranty.

## Paint & Touch Up Kits

### PAINT

#### ITEM

#### PAINT

- Available in Frost
- Can be ordered by the Pint or Quart. Quart sizes will be shipped out in the equivalent amount of 1-Pint size cans to fulfill the order.

**DISCLAIMER:** Fabuwood takes no responsibility for improper application and/or imperfections caused by using this item. Touch-ups & Finishing applications are recommended to be completed by a qualified cabinet installer.

### PAINT SPRAY CAN

#### ITEM

#### PSC

- Available in Frost only
- Paint Spray Can can be used for general touch-ups. Suggested Uses: Spraying the edges of molding before installation, cosmetic touch-up after installation, spraying the edges of TK8 or loose PAN-1/4 finished end skins.
- Note: Not intended to be used to refinish a cabinet or accessory such as trim moldings.
- Due to the complexity of Fabuwood finishes, Paint Spray Cans are not available for stained finishes.

**DISCLAIMER:** Fabuwood takes no responsibility for improper application and/or imperfections caused by use of Paint Spray Can. Touch-ups are recommended to be completed by a qualified cabinet installer.

### TOUCH UP KIT

### POWER SUPPLY STARTER SET

ITEM
LED SKIT WLS 1Z
LED SKIT WLS 2Z
LED SKIT WLS 3Z
LED SKIT WLS 4Z

- Power Supply Starter sets with Zone Controls come with the following components:
  - 90w Driver, 24V with power cord
  - 2m (6.5ft) Extension Lead to Connect First Light
  - 4-Port Mesh Distribution Box (Bluetooth-enabled, pairs with Wall Switch)
  - One (1) Preprogrammed Wall Switch with Dimmer Function
- Starter Sets should be ordered based on the number of Lighting Zones needed. Starter Kit components quantities are based on zone quantity.
- Each Power Supply Driver requires a 110V standard power outlet
- If more than (4) zones are needed: purchase additional Power Supply Starter Sets depending on additional quantity of zones needed. Additional Wall Switch LED WLS SWITCH is available for purchase.
- Consult the following page or the Ordering Guide for instructions on determining zones and for layout examples.

**NOTE:** Maximum amount of 10ft per zone is advised. Cabinetry runs greater than 10ft are considered 2 zones (or more).

Installation by a qualified cabinetry installer or electrician is recommended

Zone Control Kit Contents & Qty per number of Zones	1 Zone	2 Zones	3 Zones	4 Zones
90w Driver (24V) with power cord	1	2	3	4
2m (6.5ft) Extension Lead to Connect to First Light	1	2	3	4
4-Port Mesh Distribution Box, Bluetooth Enabled	1	2	3	4
Preprogrammed Wall Switch (Bluetooth Enabled, Leviton Decora	1	1	1	1

### ADDITIONAL WIRELESS WALL LIGHT SWITCH

ITEM
LED WLS SWITCH

- Leviton Decora-style Wall Switch with Dimmer Function

**Note:** Installation by a qualified cabinetry installer or electrician is recommended.

## Under-Cabinet Lighting

### ORDERING GUIDE

Ordering Loox Kitchen Lighting can be completed within a few steps. We will outline those steps below so that you can specify the products that work best for your kitchen.

### DETERMINE ZONES

Determine how many total light zones are in the kitchen; a zone is determined by a continuous run of cabinets. Any separation in the wall cabinets including windows, range hoods, doors, etc. creates a break and may create another zone. If a zone is greater than 10' consider it 2 zones. Make sure there is a 110 V power outlet for each zone either in the cabinet or immediately above the cabinet. See examples of zone illustrations below:

**G-SHAPE**

# **Modifications**

## Cut Modifications

**ITEM**  
CUT-BASE

- Reduce depth of base cabinet (min. depth 12")

**ITEM**  
CUT-SBASE

- Reduce depth of sink base cabinet (no min.)

**ITEM**  
CUT-DBASE

- Reduce depth of drawer base cabinet (min. depth 12")

**ITEM**  
CUT-WALL

- Reduce depth of wall cabinet (4" min.)

## Cut Modifications

**ITEM**  
CUT-TALL

- Reduce depth of tall cabinet (no min.)

The diagram illustrates a modification to a tall cabinet. On the left, a 3D perspective view shows a cabinet with a depth of 24 inches. An arrow points to the right, where the same cabinet is shown with a reduced depth of 18 inches.

**ITEM**  
CUT-COLUMN

- Reduce depth of column (specify depth)

The diagram illustrates a modification to a cabinet column. On the left, a 3D perspective view shows a column with a depth of 15 inches. An arrow points to the right, where the column is shown with a reduced depth of 10 inches.

**ITEM**  
CUT-DOOR

- Cut out center panel of door for glass insert (per door, glass not included)
- MATCH-INTERIOR must be added separately
- Not available for Luna

The diagram illustrates a modification to a cabinet door. On the left, a 3D perspective view shows a solid cabinet door. An arrow points to the right, where the door is shown with the center panel removed, leaving a rectangular opening for a glass insert.

**ITEM**  
CUT-BASE HEIGHT

- Reduce height of base cabinet by cutting off top drawer (total base height: 28-1/8")
- Designed to create a base cabinet that can be used with a Range Top appliance

**NOTE:** Modification is only available for Base cabinets with a standard top drawer. Not available for 2-Drawer Base, Farm Sink, or File Drawer.

The diagram illustrates a modification to a base cabinet. On the left, a 3D perspective view shows a base cabinet with a total height of 34 1/2 inches. An arrow points to the right, where the cabinet is shown with the top drawer removed, resulting in a total height of 28 1/8 inches.

## Cut Modifications

**ITEM**  
CUT-TK

- Reduce toe kick height
- Specify total cabinet height when selecting modification.
- Will ship Toe Kick loose if full height of toe kick is removed.

The diagram shows a white cabinet with a brown base. On the left, the cabinet has a toe kick labeled "4 1/2\"". An arrow points to the right, where the same cabinet is shown with a shorter toe kick labeled "2\"".

**ITEM**  
CUT-ROD

- Reduce depth of rollout drawer (specify depth of cabinet)
- CUT-ROD modification will be automatically added when CUT-\_\_\_\_ depth reduction has been applied to a cabinet with a ROD accessory selected.
- Roll Out Drawer is trimmed from the back to new depth. Back panel will no longer be dovetailed.

**Note:** to add CUT-ROD on ROD Roll Out Drawers being ordered loose, please contact your Customer Service Teams for assistance.

The diagram shows a light-colored rollout drawer. An arrow points from a deeper drawer on the left to a shallower drawer on the right, illustrating the modification.

**ITEM**  
CUT-PANEL

- Cut down a panel to any size

**Note:** cut sides do not include edge-banding.  
Contact Customer Service to request application via Custom Shop, or add EDGE-BANDING (QTY per L.F.) as a loose accessory item for field application.

The diagram shows a tall, narrow grey panel on the left. An arrow points to the right, where a shorter, wider grey panel is shown, representing the result of cutting the panel down.

## Pipe Chase

**ITEM**  
CHASE-BASE

- *Make chase in base cabinet*
- **Must supply a drawing for all chase modifications.**

**ITEM**  
CHASE-WALL

- *Make chase in wall cabinet*
- **Must supply a drawing for all chase modifications.**

- Widths 27" - 30": QTY 1, 2, 3
- Widths 33" - 36": QTY 1, 2, 3, 4

## Modifications

**ITEM**  
RECESS-TK

- Recess toe kick of base cabinet (must supply a drawing)
- Choose from the following options: Left, Right, Back or a combination of all three.

The diagram shows a white cabinet with a light wood toe kick. An arrow points to the same cabinet where the toe kick has been recessed into the base of the cabinet, creating a clean, flush finish.

**ITEM**  
PEN-CABINET

- Create a peninsula cabinet from 2 cabinets
- Peninsula side will include standard Recessed Toe Kick

The diagram shows two white cabinets. An arrow points to the result: two cabinets joined together to form a peninsula. The side of the peninsula cabinet is shown with a recessed toe kick and a standard cabinet door.

**NEW!** **ITEM**  
CHOOSE-INTERIOR

- Finish interior of cabinet to selected paint or stain.
- Finished ends must still be specified
- Not available for NDW, WOS, WR/WC/WO cabinets, Vanities, and TP's.

The diagram shows a white cabinet with its doors open, revealing a light wood interior. An arrow points to the same cabinet where the interior has been finished with a dark grey or black paint, matching the exterior.

**ITEM**  
INCREASE-BASE

- Increase depth on base cabinet
- Increased depth of Rollout drawers are by custom request only and is not included in modification. Custom quote required.

The diagram shows a white cabinet with a light wood countertop. An arrow points to the modified version where the base of the cabinet has been extended further out, increasing its depth.

## Modifications

**ITEM**

**INCREASE-WALL**

- Increase depth on wall cabinet
- Increased depth of Rollout drawers are by custom request only and is not included in modification. Custom quote required.

**ITEM**
